

Your placement specialists

Sage | Finance | IT

Our slogan
“more than just recruitment”
is our way of life, our culture,
and our commitment to you.

Corporate Staffing

LA Intronet are Sage, Finance & IT placement specialists. We focus on finding the best possible candidates for temporary, contract and permanent roles. We source top caliber candidates to meet your specific requirements.

Specialist Services

With 19 years of specialist recruitment experience in the Sage arena, we have mastered the art of sourcing and placing quality candidates. We offer competitive rates with excellent after placement service using a new state of the art recruitment and assessment system.

Customized Solutions

Our team are highly skilled, experienced and motivated professionals. Our team are dedicated to the provision of quality staff, which means we still offer the personal friendly service you have come to expect over the years.
